

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

The introduction of cell phone use in the cabin will not only increase tension among passengers, it will compromise flight attendants' ability to maintain order in an emergency. Cell phone use could also enable terrorists to coordinate a plan of action more effectively.

Please leave the current rules in effect.

Are you fucking nuts - imagine 100 idiotic conversations going on around you on a 4 hour flight.

Time to go get my sound cancelling bose headphones and crank up Led Zepplin very loud - hope you are not sitting next to me.

Sincerely,

Lee Holzschuh
